### CCMI Hat Trick Rules

- **Catch & Release only** – Kept fish will not be accepted for Hat Trick Award
- **Three Muskies caught and released at or above 30"**. One each from three of the following five lakes: Lake Wingra, Lake Monona, Lake Waubesa, Lake Kegonsa or Lake Mendota.
- **Duration** – Entire Calendar Year fishing season - must be caught and released legally complying with all WDNR regulations including dates, etc.
- **Reporting**: Must be reported to Release Chairman. The registration must indicate the exact lake, lure, date, time and size and have a photo. (e.g., you would be ineligible if you indicated "Madison Chain" on registration when identifying where the fish was caught).
- **Maximum of one CCMi Hat Trick award per year, per qualifying member.**
- **Member agrees to allow the use of the photo for CCMi poster boards, brochures, presentations, literature, etc.**
- **Must be a CCMi member in good standing at time of Muskie catch & release, registration, request for award and issuance of the CCMi Hat Trick Award.**
- **Form**: The CCMi Hat Trick Award Request form is available online or can be requested from the release chairman (Note: it will not be automatically sent, the CCMi member must keep track and can request the form). Request form must be submitted to the release chairman *only* after the three qualifying Muskies are caught/released and registered on-line.
- **A photo is required and must be submitted at time of registration of fish. A witness is not required.**
- **Awards:**
  - **Recognition at annual awards banquet**
  - **Certificate from CCMi**
  - **If approved by the CCMi Board – potentially a patch or a pin may be awarded**
