

**CAPITAL CITY CHAPTER OF MUSKIES, INC.
Members Only Reproduction Contest
Annual Rules and Regulations**

Summary

Each year two lucky members of the chapter will win a free reproduction of his/her released trophy muskie. This may take the form of a graphite replica or other artistic reproduction of the catch, such as a custom painting. The minimum size to qualify for the raffle is forty-five (45) inches (true or hybrid). Each muskie accepted into the contest represents 1 chance of winning the reproduction. The winners will be drawn at the Annual Awards Banquet.

The contest has two categories: 1) muskies caught and released in Wisconsin, and 2) muskies caught and released outside of Wisconsin. No one individual can win both contests in the same year. The Release Chairman will automatically apply entries to the appropriate contest.

Rules

1. All rules applicable to the Release Contest apply to the Reproduction Contest, including the requirement for qualifying fish to be entered in the Muskies Inc "Lunge Log".
2. To be entered, a muskie must be a minimum of forty-five (45) inches. Any muskie less than forty-five (45) inches by any fraction cannot be rounded up to forty-five (45) inches.
3. The Release Chairman must receive either a photograph of the fish (print or email) OR a signed statement provided by a witness to the catch, measurement and release. *** Please note the "Lunge Log" fish ID number when submitting the photograph or witness statement.
4. The angler must be a member in good standing at the time the muskie is caught, and at the time of the subsequent annual awards banquet.
5. The reproduction will be expected to be available for display by the chapter at the Madison Fishing Expo and Spring Seminar.
6. Capital City Chapter of Muskies Inc. will pay for actual cost of the reproduction up to \$600. The payment will be made directly to an artist pre-approved by the Board of Directors.
7. Winners of the Reproduction Contest are not eligible to win again for a period of 5 years. Example: A winner of the 2008 Wisconsin Reproduction Contest (for fish caught in 2007) is not eligible to enter or win either Reproduction Contest until the 2013 fishing season.
8. The Board of Directors and Officers will resolve any questions, problems, or issues. Their decisions are final.
