Prez Sez

Well, winter has definitely arrived! I gave up yesterday and put the boat away. It's a sad day, but now I can start focusing on my second favorite season, Expo Season! We are busy getting everything ready to have a booth at all the shows next year. We will be in Chicago, Milwaukee, Madison and Wausau. At the last two shows we will have our Garage Sale set up. As you know, that sale is a great source of income for the chapter. We are still looking for lures to sell, so while you are putting your gear away this winter and have a few baits that you haven't used for a season or two please consider donating them to our Garage Sale.

As a chapter, this is actually our busy season. We are planning for the Muskie School and Fundraiser, setting our budget for stocking and Youth Tournament. If you want to help out with any of our events we would love to have you. We have a few vacancies on our Board of Directors, if you are interested, please let me know.

I hope everyone has a great holiday season and has many musky stories to share with your families!

Brian Falleck

Garage Sale Items Needed!!!

We are in need of your gently used lures. Every year at the Wisconsin Fishing Expo in Madison we hold a Garage Sale, selling used baits donated by our members. This is a great source of income for our chapter and directly leads to putting muskies in the Madison Chain. If you have any lures that haven't seen water in a while or have some you just plain don't like, please consider donating them to our Garage Sale. We will be collecting baits at our monthly membership meetings from now until February. For every 3 baits you donate you will get an entry into a drawing for either a \$100 or \$50 gift card from Dorn Outdoor Pro Shop. Thank you for helping us keep Madison a great musky fisheree!

Muskies Inc. Membership Contest

Muskies Inc. just launched the new Membership Contest on September 1st, 2025, and it will run through December 31st, 2025. Here's how it will work:

Whenever a current member signs up a new member, the current member's name will be entered into a drawing for a \$500 gift card (vendor to be finalized). Each additional new member they sponsor equals another entry into the drawing. The more members they bring in, the more chances they have to win. Both the online and paper applications will include a section where the new member lists the name and membership number of the current member who referred them (their sponsor). If your chapter uses your own paper application please add sponsor portion to the new member application form

Join the CCMI Mentoring Program

The Capital City Chapter of Muskies, Inc. conducts a mentoring program for its members. If requested, an experienced club member will help or assist (or mentor) another member in developing specific fishing skills or acquiring knowledge about a particular topic or body of water. These informal associations have been very successful in the past in helping members learn more about muskie angling, as well as helping newer members meet some of the more knowledgeable muskie anglers in the club.

Assistance may be requested in a general area (e.g., “I would like to know more about Lake Monona”) or a specific area (e.g., “I would like to learn how to make my own leaders.”) If you need or want assistance in some aspect of muskie angling, contact Lee Bartolini by email: Lbartolini8475@charter.net, or by phone: (608) 293-4108, and he will try to match you up with a mentor to assist you.

CCMI members who are willing to be a mentor, who are willing to help or assist another club member in some aspect of muskie fishing, are invited to let Lee know of their interest. If you would like to be a mentor and help another CCMI member, contact Lee using the information above.

A Big Thank You to 2024 and 2025 Donors

Many donors play a critical role in helping Capital City Muskies, Inc. (CCMI) meet our goals for improving the South-Central Wisconsin Muskie fisheries. These activities and projects include supplemental stocking of Muskie yearlings/fingerlings in Lakes Monona, Waubesa, and Wingra; supporting scientific research on the Madison Chain of Lakes fish populations; and sponsoring youth education and outreach activities.

Without the generous contributions of our donors, many of the projects and activities CCMI conducts each year would not be possible. We would like to thank the following donors who have made generous cash, services, and/or merchandise donations to CCMI in 2024 and 2025 to date:
